Sanborn Recognizes Fraternal Order of Police Members for Exemplary Service

Sanborn presents Gold Card Awards to members with 10 or more years of service

(LANSING) – Senator Alan Sanborn, R-Richmond, presented Gold Card Awards to eligible members of Lodge 187 of the Fraternal Order of Police (FOP) at a ceremony held recently at the American Veterans Hall in New Haven.

Sanborn, a former youth probation officer, is a Gold Card member himself with 22 years of membership in the Fraternal Order of Police. He presented awards to more than 40 FOP members including Dennis Tomlian, a member of his staff with 15 years and some senior members with just under 50 years. Gold Card awards were given to those members of the FOP with at least 10 years of active membership.

“It is humbling to have participated in a ceremony recognizing so many dedicated public servants,” Sanborn said. “I am honored by the company I keep in being a Gold Card holder - some of these folks have been serving their communities for better than four decades.”

Sanborn presented awards to 41 other members in all. Their names, years of membership and the communities they are from are listed below:
